

### Square support

Livré avec 1 vis laiton M10,  
Hors accessoires de fixation

This bracket is used for sensor point attachment on mesh cage type installations.

It is mainly used when installing a sensor point on a concrete parapet or cladding coping.

It can be fixed by 2 M6 screws max.

It can be paired with the following product:

- connecting bracket (AFF0501PC)
- connecting bracket (AFF0502PC)

Angle support  
AFF0836PC + AFF0501PC
